Report of Principal and School Improvement Council

This has been an outstanding year for the Draytonville Dolphins. Draytonville Elementary School received an "A" on the Federal Accountability Report. The school earned the Palmetto Gold Award in general performance, and the Palmetto Silver Award in closing the achievement gap. This is a testament to the dedication and commitment of the Draytonville teachers and staff to provide a quality education to all students. Ms. April Barnhill was selected as Teacher of the Year, while Ms. Haley Pirkey served as the Distinguished Teacher of Reading. Mrs. Robin Freeman was selected as the Support Staff Person of the Year.

In 2013, our school received an absolute rating of average, and a growth rating of excellent on the South Carolina School Report Card. In our continued effort to improve student achievement, all students are assessed using the Measure of Academic Progress (MAP) testing. This test identifies the students' strengths and areas in need of improvement. The data is used to implement differentiation of instruction for the students during the academic year. Daily 5, which is a student-driven management structure designed to fully engage students in reading and writing was implemented this year. The teachers used small group instruction to accommodate the needs of each student. Our School Intervention Team was utilized to assist students who needed additional support in their academics and behavior. We are continuing our technology integration as our teachers and students have access to a computer lab, iPads, and iPods to assist with instruction and research.

Through the efforts of all of the stakeholders associated with Draytonville Elementary, we made donations to Jump Rope for Heart, March of Dimes, United Way, Relay for Life, Salvation Army, and the local soup kitchen.

We are truly grateful for our partnership with our local businesses, and the parents and family members through the PTO. The PTO and the School Improvement Council purchased new playground equipment, assisted in paying for field trips for all of the students, provided student incentives throughout the year, sponsored a back to school bash, and the Santa Shop at Christmas. We also partnered with the local church to start the backpack buddy program.

We want to thank all of the stakeholders who played a role in enhancing the life of our students.

Diane Bridges, School Improvement Council

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	96.1
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Draytonville Elementary has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
